

The Voice Options Program (VOP) offers eligible Californians who are unable to speak, or who have difficulty speaking, a free speech-generating device. The goal of this program is to ensure full and equal telephone communications access for all Californians with disabilities.

When it comes to choosing a speech-generating application, it is imperative to select one that highlights your strengths, skills, and fully meets your needs without leaving you feeling restricted. Through this program, any eligible Californian referred to FSN, a Voice Options provider, will have the opportunity to test different speech-generating applications for up to 14 days. The applications that will be provided are:

Who qualifies for the Voice Options Program?

Californians unable to speak, or who have difficulty speaking, who have not previously participated in the Voice Options Program. There are no age limitations. For more information, please visit www.dor.ca.gov/Home/VoiceOptions

How To Get Started:

- **Step One:** Contact Jeannette Blanco @ (714) 447-3301, ext 200 or jeablanca@fsn-oc.org to schedule an orientation & demonstration
- **Step Two:** Participate in a VOP orientation & receive a speech-generating device demonstration.
- **Step Three:** Take a short-term loaner iPad home for a 7-14 day trial. The loaner iPad is preloaded with six speech-generating application. You will practice using two or three of the applications during the trial to help you determine which will work best for you.
- **Step Four:** Receive a new iPad with one speech-generating application of your choice downloaded onto the iPad.
